[2024 Spring CSE Schedule / Routine / Consultation](#)

Are you a CS/CSE fresher? Your advising/registration will be done automatically. Your courses/sections may change as you're being auto-registered into the courses. You don't have to do anything at the moment. Please check advising panel <http://usis.bracu.ac.bd> from time to time to stay updated. You'll receive SMS or email notification about your orientation. Until then, explore the CSE Undergraduate Dashboard.

1) Collect your university email address (you@g.bracu.ac.bd) by following <https://www.bracu.ac.bd/notification-bracu-students-regarding-their-g-suite-email-address>

2) Using your university email address (you@g.bracu.ac.bd), create an account at <https://www.edx.org> and at <https://www.coursera.org>

3) Audit/enroll & complete "How to learn online" course <https://www.edx.org/course/how-to-learn-online> (code: Y5ZADM5NU2AN5JU7) and another course from <https://www.coursera.org/learn/learning-how-to-learn>

AFTER ADVISING WEEK, THROUGHOUT THE SEMESTER: Advisors will advise/guide you only during their consultation hours.

For extra seat in a section, try requesting the faculty of that section or take alternative section/course. If TBA, wait. It's up to the faculty on if they want to give any extra seat.

[If you have any request that needs the approval of the chairperson, Email the chairperson at \[chair.cse@bracu.ac.bd\]\(mailto:chair.cse@bracu.ac.bd\) with all supporting documents. OR, submit a hard-copy application to the DCO of the department](#)

Please ignore lab timing conflicts of MNS courses. For CSE courses, try alternative sections. If that doesn't work, please see the Lab Coordination Tab/Sheet of CSE Semester Routine/Schedule to apply online, and THEN if necessary follow up the coordinating teacher of that particular course after the lab section change result publication dates for each phase.

[If you do not need any change/advice/anything else and if you can download your payment slip, THEN there is no need to go through remote registration request. You are already done!](#)

Please ensure that your USIS email & mobile no. are correct/updated to avoid missing notification, if any. For correction, email usis-help@bracu.ac.bd

[If you do not find your ID in any of the sheets or you changed your program/dept to CS/CSE, please contact: Mr. Md. Saiful Islam \(MSI\) sir](#)

Students having their USIS accounts blocked should get those unblocked from usis-help@bracu.ac.bd before contacting the advisers.
