

Problem-Based Research Form

Topic/Title	
--------------------	--

Group Details:

Name of the Group Members	ID No.	Role to Play

Hypothesis/Assumption: (Overall group assumption about three most effective sustainable solutions for the problem)

--

Data Log of Research Articles

(Briefly list two to three solutions with in-text citations. References for all the members to be added in the “References” section at the last).

Panelist 1

Specific Role: _____

(Note: Please share three sustainable solutions from the perspective of the role you are playing in the panel discussion. To support/elaborate or justify your solutions, you can include facts, statistics, present a real-life incident or case and visual information here in the form of a chart, line graph, pie chart, bar/column graph, flow chart, etc.)

Panelist 2

Specific Role: _____

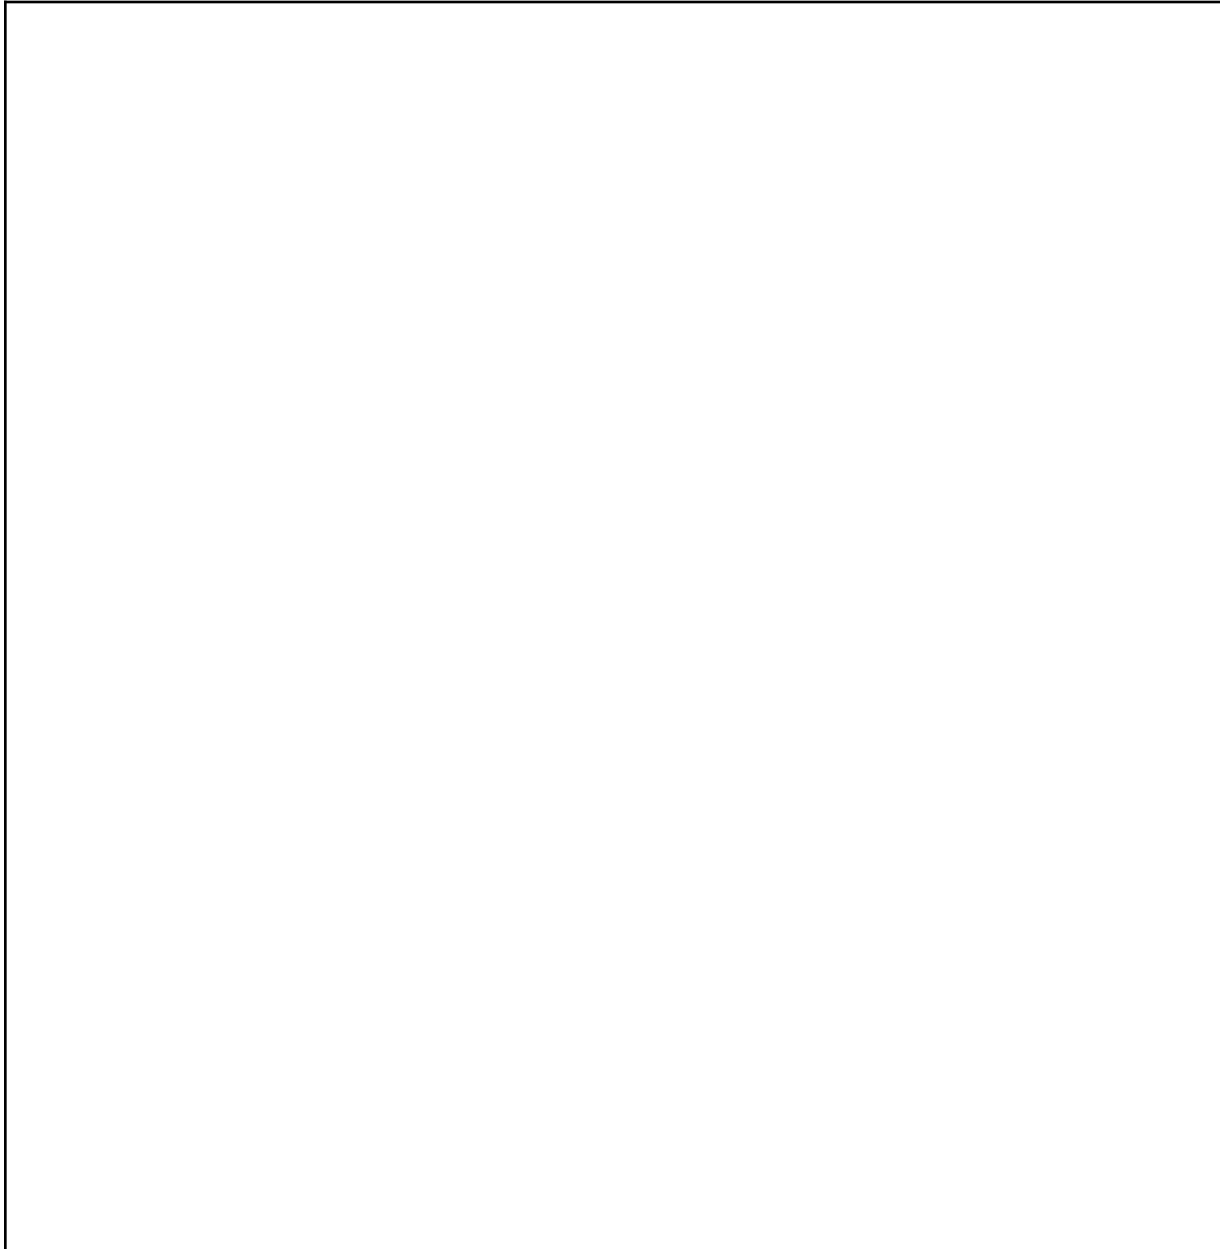

(Note: Please share three sustainable solutions from the perspective of the role you are playing in the panel discussion. To support/elaborate or justify your solutions, you can include facts, statistics, present a real-life incident or case and visual information here in the form of a chart, line graph, pie chart, bar/column graph, flow chart, etc.)

Panelist 3

Specific Role: _____

(Role: Please share three sustainable solutions from the perspective of the role you are playing in the panel discussion. To support/elaborate or justify your solutions, you can include facts,

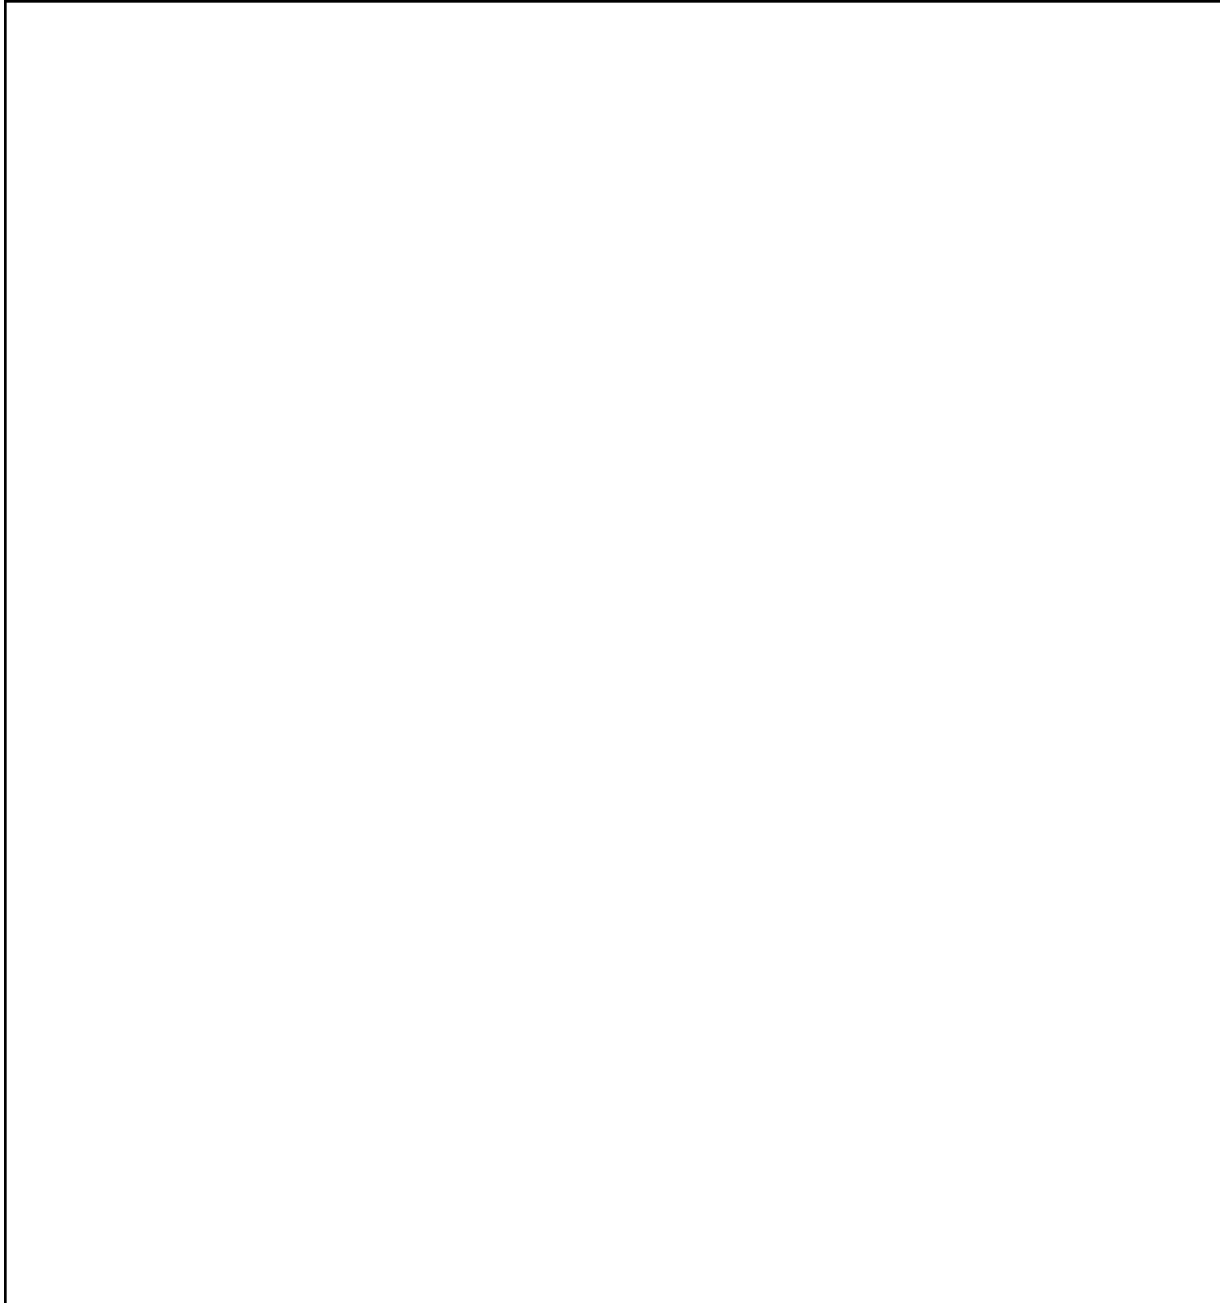

statistics, present a real-life incident or case and visual information here in the form of a chart, line graph, pie chart, bar/column graph, flow chart, etc.)

A large, empty rectangular box with a thin black border, intended for the user to provide visual information such as a chart, graph, or flowchart.

Panelist 4

Specific Role: _____

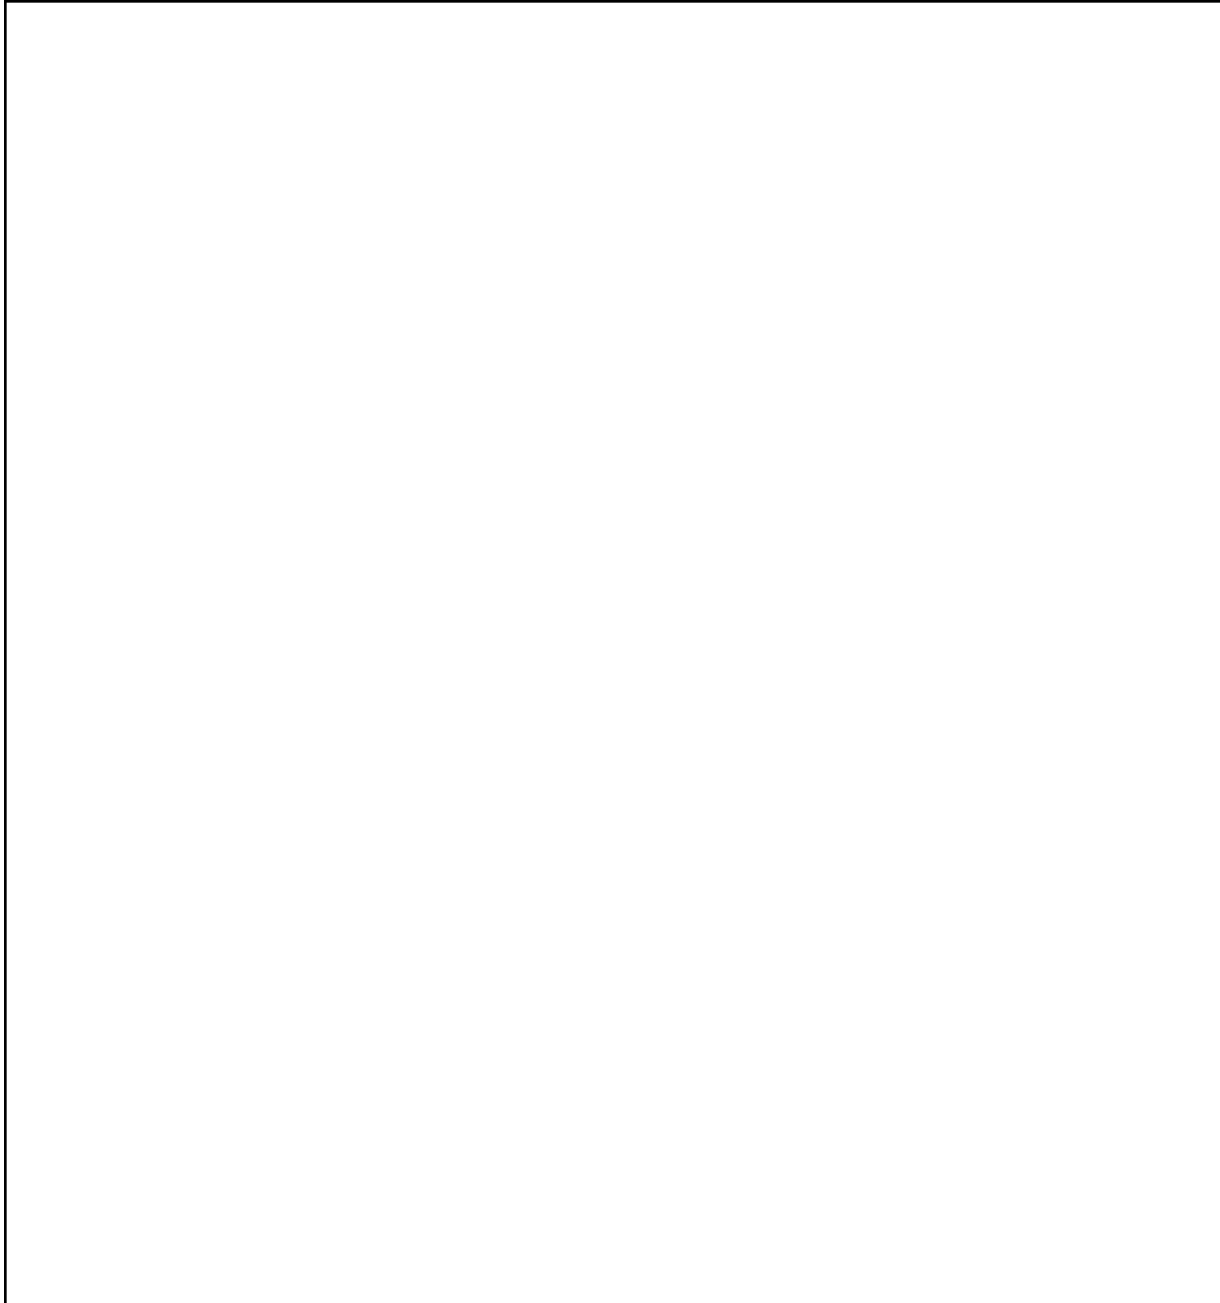

(Note: Please share three sustainable solutions from the perspective of the role you are playing in the panel discussion. To support/elaborate or justify your solutions, you can include facts, statistics, present a real-life incident or case and visual information here in the form of a chart, line graph, pie chart, bar/column graph, flow chart, etc.)

Panelist 5

Specific Role: _____

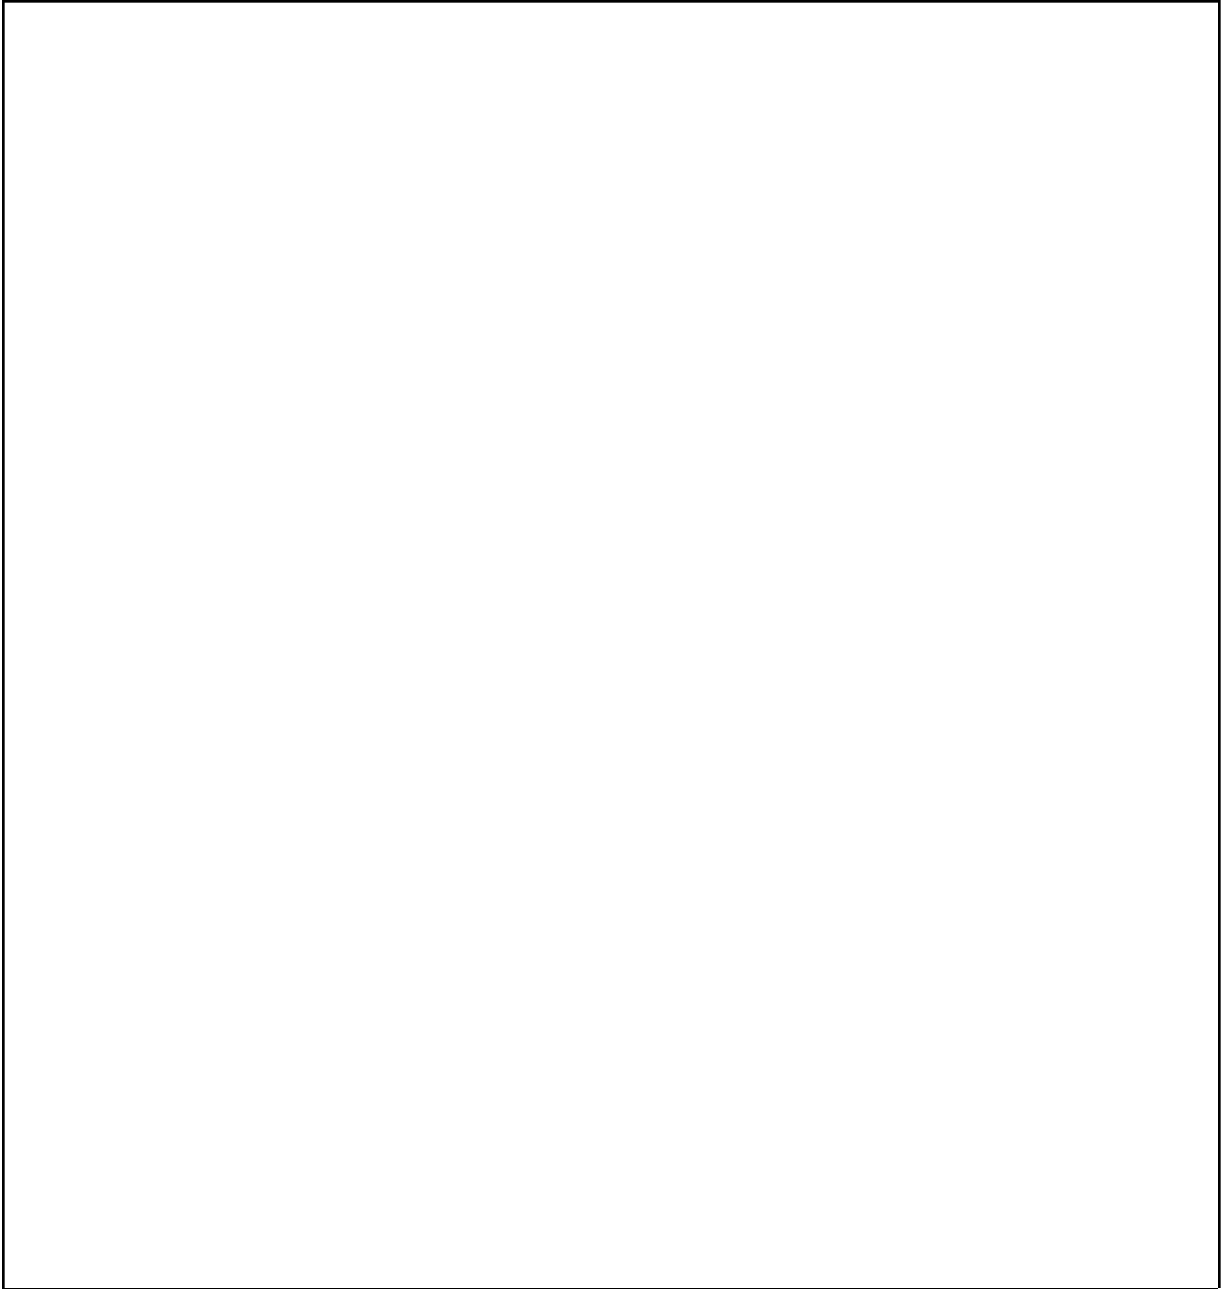

(Note: Please share three sustainable solutions from the perspective of the role you are playing in the panel discussion. To support/elaborate or justify your solutions, you can include facts, statistics, present a real-life incident or case and visual information here in the form of a chart, line graph, pie chart, bar/column graph, flow chart, etc.)

Panelist 6

Specific Role: _____

(Note: Please share three sustainable solutions from the perspective of the role you are playing in the panel discussion. To support/elaborate or justify your solutions, you can include facts, statistics, present a real-life incident or case and visual information here in the form of a chart, line graph, pie chart, bar/column graph, flow chart, etc.)
